

"Do Your Ears Hang Low?"

(Raney Remix, 2019)

1. Do your ears hang low? Do they wobble to and fro? Can you

tie them in a knot? Can you tie them in a bow? Can you

throw them o'er your shoulder like a Continental soldier? Do your

ears hang low?

NOTE: Repeat music for each verse.

One thing you can add for fun in-between each verse is to say, "Second verse, different from the first", then, "Third verse, different from the first", etc.

"Do Your Ears Hang Low?"

(Raney Remix, 2019)

Do your ears hang low?
Do they wobble to and fro?
Can you tie 'em in a knot?
Can you tie 'em in a bow?
Can you throw 'em over your shoulder
Like a continental soldier?
Do your ears hang low?

Do your ears stand high?
Do they reach up to the sky?
Are they droopy when they're wet?
Do they stand up when they're dry?
Can you semaphore your neighbor
With a minimum of labor?
Do your ears stand high?

Do your ears make noise
Like a herd of wind-up toys?
Do they rattle 'round like marbles
'Til your teacher loses poise?
When they rumble do the fellas
Riding 'Harleys' all get jealous?
Do your ears make noise?

Can your ears come unglued
Any time you're in the mood?
Can you pull 'em like a plug?
Can you twist 'em like a screw?
If you turn'd 'em for a while
Could they become a projectile?
Can your ears come unglued?

Are your ears made to wiggle?
Do they shimmy, do they jiggle?
Do you shake 'em to a beat
So most other people giggle?
Do they often without fail
Show up on the 'Richter' scale?
Are your ears made to wiggle?

Do your ears have hair
So they look in disrepair?
Do you often try to clean 'em
And a 'Q-tip' they ensnare?
Could a barber with some sway
Solve a shortage of toupees?
Do your ears have hair?

Are your ears big and round?
Do they reach down to the ground?
Could they drag you down the street?
Could they flip you upside-down?
Can you pick up TV stations
On the rarest of occasions?
Are your ears big and round?

Are your ears teeny tiny
Like a baby mouse's heinie?
With a little bit o' spittle
Can you make 'em nice n- shiny?
Are your peers all in awe
Of how your forehead meets your jaw?
Are your ears teeny tiny?

Are your ears out wide?
Is there an updraft when you stride
Could they spot you on a radar
Flying unidentified?
Has the TSA demanded
That your flight path be remanded?
Are your ears our wide?

Are your ears rather slim
Like an old sombrero brim?
Could you sharpen up the edges
And some hedges you could trim?
Could you offer them as plates
And serve a table up to eight?
Are your ears rather slim?

NOTE: Song can be sung in any order with as many or as few verses as you want. Enjoy!
